

MEMBERSHIP BENEFITS & ACTIVITIES
OF CARIBBEAN WATER AND WASTEWATER ASSOCIATION

Opportunities

To network with other professionals in the sector and to exchange ideas, methodologies and resources

Our annual Conference and Exhibition

Rotates annually in a different Caribbean Island and promotes:

- Technical Sessions, Workshops and Seminars
- Participants receive a complimentary copy of the official Magazine of the conference, which is widely distributed. It will include the current conference's information, including abstracts, conference schedule and exhibitors' guide. Articles, member highlights, and advertisements will also be included in each edition.
- Exhibitor and Vendor Showcases
- Special members rates and discounts are available
- Booth bookings covers registration for 2 Corporate members
- Regional Leadership Conclaves and Roundtables
- Regional Ministerial Meetings (High Level Sessions)
- CWWA Annual General Meeting
- Field Trips and Technical Tours
- Networking, Cultural Nights, Special Events,
- Regional Water (and Rum) Tasting Competitions
- Awards Ceremony/Gala Dinner and Sector Recognitions
- A spectacular week of discussions, informational sessions, trade show items and great Caribbean entertainment.

CWWA E-Newsletter and Sector News

Free quarterly E-Newsletter "CWWA InfoStructure", keeps you informed about CWWA's upcoming events, news, services and resources. Sector News, a bi-weekly posting sent to keep members informed on current regional and international development in the sector.

Training and Development

Promote new developments in water supply and waste disposal through seminars & workshops.
